AGENCY SERVICE FEE FOR UAE

Item	Amount	When payable
Agency service fee	USD 300	On application, before processing begins
Travel insurance	Not charged	-
Embassy / government visa fee	As published by the authority	Before processing, paid by the Client

This figure is per applicant and applies to UAE under the Arab countries category of the published schedule. No insurance charge applies to UAE under this policy. The Client may still be required by the authority to hold travel insurance, and Ziyarah will assist in arranging it.

PAYMENT POLICY

- No deposit is required.
- The agency service fee stated above is payable when the application is submitted, before processing begins.
- The applicable official embassy or government visa fee is paid by the Client directly to the authority, and is not included in the agency service fee.
- Where this Agreement states a travel insurance charge, it is payable before processing.
- Ziyarah does not begin preparing or submitting the application until the agency service fee has been received.

WHAT THE AGENCY SERVICE FEE EXCLUDES

The agency service fee excludes embassy and government visa fees and travel insurance. Embassy and government fees vary by destination, visa type, applicant age and current official rules, and the current official amount should be confirmed before payment. Visa-centre, biometrics, courier, translation and other third-party charges are separate where applicable. Air tickets are not included and shall be arranged or purchased separately by the Client unless otherwise agreed in writing.

REFUND POLICY

> Amounts paid to embassies, consulates, visa application centres, insurers and other third parties are not refundable by Ziyarah once paid on the Client's behalf, as those bodies do not refund them. A visa refusal does not create an automatic right to a refund. Where the agency service fee has been paid and Ziyarah has not commenced preparation of the application, it is refundable in full.

VISA REFUSAL AND RE-APPLICATION

If the Client's visa application is refused or not approved, Ziyarah will assist with a re-application or resubmission process. This may include reviewing the refusal reasons, identifying appropriate corrective measures, updating the application where appropriate, and preparing the application for resubmission. Any new government, embassy, VAC, biometrics, medical, courier, insurance, accommodation or other third-party charges arising specifically from a re-application are not automatically included and may be payable separately unless Ziyarah expressly agrees otherwise in writing.

NO GUARANTEE OF VISA APPROVAL

Ziyarah provides professional application and travel-support services but does not control the decision of any embassy, consulate, immigration authority or other government body. Visa approval, validity, duration, number of entries and processing time are determined solely by the relevant authority and are not guaranteed by Ziyarah.

CLIENT RESPONSIBILITIES

- Provide truthful, complete and authentic information and documents.
- Be responsible for the accuracy of all information supplied for the application.
- Promptly provide documents and information requested by Ziyarah.
- Attend required appointments, biometrics and interviews.
- Inform Ziyarah of previous visa refusals, immigration issues or relevant changes in circumstances.

DOCUMENTS AND CONFIDENTIALITY

Ziyarah will handle Client information and documents for the purposes of providing the agreed services and will take reasonable steps to maintain confidentiality. The Client may request copies of documents and application materials prepared or submitted on the Client's behalf, subject to applicable third-party or portal restrictions.

THIRD-PARTY SERVICES AND COSTS

Where services involve airlines, hotels, insurers, embassies, consulates, VACs, medical providers or other third parties, their terms, availability and decisions apply. Ziyarah does not control third-party processing times, availability or decisions. The package includes the costs expressly stated in this Agreement; costs outside that scope require separate agreement.
